**RE: Phase I Environmental Site Assessment
Lincoln Storage, 315 Glenn Street North, Vale, Oregon**

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property located at 315 Glenn Street North in Vale, Oregon (see attached aerial map). The site is the location of Lincoln Storage, a storage rental business in Township 18 South, Range 47 East of the Willamette Meridian.

The site is presently owned by Mr. Paul Malstrom and is approximately 2 acres in size. The site consists of storage unit buildings, associated offices, and associated paved parking.

An aerial map with the site location indicated is attached for your assistance. The established address for the site is 315 Glenn Street North in Vale, Oregon. If you have any questions about the site locations please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to August 18, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.

Mike Larango, CES
Field Supervisor
